

WELCOME TO THE 2020 BUFFALO AUTO SHOW

FROM THE CHAIRMAN....

In honor of the 100th Anniversary of Women's Suffrage, the National Museum of American History has declared 2020 as "Year of the Woman". The Western New York Automobile industry celebrates that declaration by kicking off the 2020 Buffalo Auto Show with a unique charity preview party presented by New Car Dealers of WNY Charitable Foundation and Independent Health on Wednesday, February 5th. "Heels and Wheels" raised nearly \$100,000 for Susan G. Komen Upstate New York and John R. Oishei Children's Hospital. We open the show with the same great theme.

Here's What to Expect at the 2020 Buffalo Auto Show

The 2020 Buffalo Auto Show is presented by Exxpress Tire Delivery! This year's show will run from Thursday, February 6 through Sunday, February 9 at the Buffalo Niagara Convention Center in Downtown Buffalo.

Thursday, 2/6: Heels & Wheels

This ladies night will benefit Susan G. Komen Upstate New York and John R. Oishei Children's Hospital. You can expect stunning displays and many delights!

Friday, 2/7: SHIP featuring Fortnite

Live streaming from the Buffalo Auto Show, with a chance for you to squad up with SHIP!

Saturday, 2/8: Hops & Horsepower

Enjoy craft beer samplings and new reveals from Buffalocal brands and Consumers Beverages.

Saturday 2/8 and Sunday 2/9: Family Fundays

Make it a family fun day! Nickelodeon's SpongeBob SquarePants and Gigamaxx will be in attendance. This family-friendly event is fun for all ages. The kids will enjoy special weekend appearances by this famous seafaring cartoon character and memorable 7-foot robot, while you have the chance to browse both floors of the Convention Center.

This year's show will feature SUV's, hybrids, electric, high-performance and economical cars, trucks, minivans, and more from 34 participating manufacturers. You'll also have the chance to enjoy specialty cars, including a replica 1964 Shelby Cobra and a U.S. Army Humvee!

There's a reason why people call it WNY's premier automotive event. Nearly every new car brand sold in Western New York will be on display. New this year, there's an electrification (EV) display called Energy Zone featuring electric vehicle brands and alternative energy sources of the future.
